About the e-LfH Learning Management System

The e-LfH Learning Management System (LMS) is an educational web-based platform that provides quality assured online training content for the UK’s healthcare workforce. The content has been created in partnership with the relevant professional bodies, typically royal colleges, and e-LfH e-learning specialists. The e-learning complements existing training programmes and provides an excellent source of reference information 'on the job'. Once you have an account with e-LfH you can reset your password, report on your e-learning activity, add more e-learning resources and of course, access the e-LfH LMS from within the e-LfH Learning Portal.

What does it offer me?

The content available to you on the e-LfH LMS is relevant to your job role or specialty. You can instantly access high quality, up-to-date educational material from any computer with an internet connection.

Gaining access

To access the LMS please follow these five simple steps:

i) Access the e-LfH website by typing www.e-lfh.org.uk into your browser.

ii) Select 'Log in to your e-Learning' in the top right hand corner of the e-LfH home page.

iii) Log in to e-LfH Learning Portal using your username and password.

iv) Select 'Launch e-LfH Learning Management System' from the left hand menu.

v) If you are a first time user, before you can gain access you will have to accept the terms and conditions by selecting the 'Accept' button.

3) How do I access reports about my e-learning activity? Please visit: http://support.e-lfh.org.uk/reporting/getting-activity-data/

4) Forgotten Username or Password? Please visit: http://support.e-lfh.org.uk/get-started/usernames-passwords/

5) How do I get more help? Please visit: http://support.e-lfh.org.uk/e-lfh-support-home/
1) When you select ‘My Programmes’ you will see a list of programmes.

2) To open your programme, select the ‘Play’ button.

3) To open your course, select the ‘Play’ button. A new tab will be opened showing the session listings for that course.

4) Each session has an entry which includes details about the dates and times of previous accesses (where relevant).

5) To open your session and start learning, select the ‘Play’ button. A new window will be launched containing the learning material. When you have completed a session, close the browser window in the normal manner.

Finding your way around

1) Home
   This contains all the links you need to be able to access your learning and other information about the programmes you have been registered on.

2) My Library
   You can choose to add e-learning sessions or Word documents here, for example to bookmark content that you may need to refer to on a regular basis or want to return to at a later stage.

3) Advanced Search
   Search for specific programmes, courses and sessions containing specific words or phrases.

4) Support
   Access the Support website for more detailed help and support.

5) My Activity
   Access the reporting function to produce reports and certificates detailing your learning activity.

6) News
   You can keep up to date on all the latest developments to your programmes as well as important information regarding e-LfH and the LMS.

7) Quick Access Panel
   This set of links allows you quick access to items such as courses or sessions.
